Dear Colleagues and Friends,

It's with great pleasure that we announce the VII International Symposium on Childhood Deafness, MSOA Regional Meeting that will take place in Naples on November 16-18, 2017.

The meeting will be hosted by: Otology and Cochlear Implant Unit of Santobono-Pausilipon, Children Hospital of Naples (Italy).

The scientific program of our meeting will reflect the multifaceted, interdisciplinary approach to otology and audiology pathology.

The topics of the meeting will focus on various aspect of treatment of hearing loss using traditional hearing aids, cochlear implants and middle ear implants. Speakers will discuss their knowledge in thematic lectures, round table sessions, poster and film sessions.

You will meet prominent Otologist and Audiologist from all over the world to discuss about the main theme of this important appointment: Masterclass in diagnosis and treatment of hearing loss in children.

Our goal, in fact, is to organize an international meeting that will serve as an occasion for all the groups from Italy, Europe and the Mediterranean area, to reflect on and share their experiences with each other.

We sincerely hope you will enjoy this event and we are looking forward to personally welcoming you to Naples.

A handwritten signature in blue ink, which appears to read 'Antonio della Volpe'.
